Subject: Broselow Tape Update

Agencies,

The Illinois Department of Public Health has recently changed the Broselow Tape requirements for EMS agencies. Agencies are required to carry the **2017 version** of Broselow measuring tape. Agencies are required to be compliant with this by **January 1st, 2019**. IDPH ambulance inspectors will be looking for this specifically when completing annual inspections. If you have any questions, please feel free to contact the EMS Office.
